Subject: [promitheasnews] Press release of UNAI SDG7 Hub Co-Chair for the "75 UN - 75 Trees UNAI SDG7" Initiative

Dear all,

The Energy Policy Development Centre (KEPA) of the National and Kapodistrian University of Athens in its capacity as the UNAI SDG7 Hub Co-Chair continues the tree planting efforts in the frame of the Initiative "75UN – 75 Trees UNAI SDG7" with sponsorships from four private plant nurseries.

The press release is for the tree planting at the Municipality of Lokron in Greece. Tree plantings are taking place in other Hellenic municipalities also.

If you would like to join us or support the initiative or participate at the 5th Meeting of the "International Tree planting Initiative" in Burazani (Konitsa-Greece) contact us.

Best regards
Dr. Popi KONIDARI

Tree planting at beaches of Lokron Municipality – Greece

On Thursday 13 March 2025 and Tuesday 18 March 2025, 150 tamarisk trees were planted along the beaches of Souvala and Skala Atalanti, of the Lokron Municipality – Greece with the participation of the local authorities.

Among the participants were the Mayor of Lokron, **Mr. Athanasios Zekentes**, the Metropolitan of Ethiotis, **Mr. Symeon**, Deputy Mayors, Community Presidents, Vice Presidents, the volunteer team “**Friends of Arkitsa**” and students from the **Primary School of Arkitsa** and the **Vocational Lyceum of Atalanti**.

The trees were sponsored by the “**Hellenic Plants**” nursery.

The tree plantings will be completed with respective actions at the Communities of **Malesina** and **Livanates**. In total, 200 tamarisk trees will be planted on the beaches of the Lokron Municipality.

These actions are intended to raise awareness among local communities about tree planting and REDD+ activities within the “**75UN-75 Trees UNAI SDG7**” initiative, launched by the Energy Policy and Development Centre (KEPA) of the National and Kapodistrian University of Athens (NKUA) Greece.
