WORK EXPERIENCE

Since August 2023, I have been part of Grace Energy Shipping DMCC, as Senior Accountant & Treasurer. I am mainly engaged in preparing and issuing the company's Financial Statements under IFRS, establishing the respective Internal Control policies, and participating in other ad-hoc reporting and analyses. Earlier, I worked for more than two and half years at Ernst & Young as Assistant Auditor, participating in external audits of Shipping companies -listed on US stock exchanges & following US GAAP- and banks. Finally, I started my career in the yachting sector, serving as Operator.

EDUCATION AND TRAINING

In September 2018, I earned my Bachelor in Science Maritime Studies, from the University of Piraeus – Department of Maritime Studies. In August 2020, I was awarded with distinction my Master of Science in International Accounting and Finance, from the University of Strathclyde – Business School. During my postgraduate studies, I was, also, awarded the Strathclyde Business School Master Scholarship. Currently, I am part-qualified on ACCA.
