

Marina Christoulaki

Summary	Senior Shipping Executive with 20+ years of experience in ship management, specializing in cargo operations across Dry Bulk and Oil Tanker sectors. Proven track record in delivering high-performance results, with strong expertise in shipping transport contract terms, time management, and global operations. Skilled in building long-term partnerships, communicating effectively across all decision-making levels, and working with culturally diverse teams. Gained hands-on experience through international projects, ship inspections, and short sea service for training purposes. Self-motivated, independent, and results-driven professional.
